ABOUT

The annual Pride in Practice Conference is the only national conference dedicated to LGBTQ inclusion across workplaces, sporting organisations and the health and human services sector. In previous years, the conference has attracted over 750 individual delegates in person, and over 800 delegates attended our virtual conferences in 2020 and 2021. Attendees can choose to tailor their conference experience by attending, one, two or all three days of the program.

The conference features a number of thought provoking sessions centring around LGBTQ inclusion. Delegates will hear from industry experts on best practice; gain insight into the award winning initiatives of the 2022 Platinum and Gold Tier employers and organisations (based on the results of the 2022 AWEI, HWEI and PSI), and have the opportunity to take best practices back to their workplace to contribute to the Australian LGBTQ inclusion landscape.

The Pride in Practice Conference attracts delegates with roles that are responsible for creating an inclusive workplace within the corporate sector, health and wellbeing sector and sports industry, for their LGBTQ employees and allies including:

- CEO and c-suite leaders
- Recruitment professionals
- Coaches
- Senior business leaders
- Employee Network Groups
- Community leaders
- HR and diversity professionals
- Sport administrators
- Managers (NFP / Health + Wellbeing Sector)
